**ANGELIA GUGLIELMO, 4TH GENERATION, JOINS GUGLIELMO WINERY IN  
CUSTOMER RELATIONS & BUSINESS DEVELOPMENT**

Angelia Guglielmo, the great granddaughter of founder Emilio Guglielmo, has joined the winery in Customer Relations & Business Development. She is the 4th Generation to now be working at the winery. This decision comes after Angelia spent some time studying abroad and then followed by five years of living on the East Coast.

Angelia returns home with a passion to carry out the heritage and legacy of the Guglielmo Family Winery that started with her grandfather in 1925. She will be taking on the position of Customer Relations and Sales Development. Angelia's love of people and her strong hospitality background will help her to create a unique experience for winery guests visiting from all around the world. The homecoming is a special moment for the family and Angelia, as she grew up playing at the winery with her brothers, sister and many cousins.

Morgan Hill has been home to Angelia since she was born. After graduating from high school in 2001 she moved to Switzerland. Despite the country's beauty, she missed home, and moved back to San Luis Obispo, California. But the travel bug hit her again, so she moved on to Boston with her soon-to-be husband Isaac and their dog Lucky. But after battling the harsh East Coast winters for five years, Angelia and Isaac agreed to return home for good.
